Stainless steel medical cabinet
SIZE：2200*520*850mm

Using microcrystalline nano stone, the thickness of the table is not less than 18mm.It is required to be wear-resistant, corrosion-resistant, easy to clean and the surface must be specially treated, no staining, no penetrating coloring, easy to clean,hygienic and environmentally friendly.

Stainless steel medical cabinet
SIZE：2400*520*850mm

Excellent stainless steel cabinet body is very tough, but corrosion-resistant,
No discoloration, no fading, no deformation, no allergies, hard and stable, durable.

Using microcrystalline nano stone, the thickness of the table is not less than 18mm.It is required to be wear-resistant, corrosion-resistant, easy to clean and the surface must be specially treated, no staining, no penetrating coloring, easy to clean,hygienic and environmentally friendly.

Stainless steel medical cabinet
SIZE：2050*520*850mm

Induction faucets and built-in trash cans in the wash cabinet. The mobile cabinet can be moved arbitrarily as needed. The cabinet body does not deform when exposed to high temperature, which is environmentally friendly and hygienic

Using microcrystalline nano stone, the thickness of the table is not less than 18mm.It is required to be wear-resistant, corrosion-resistant, easy to clean and the surfacemust be specially treated, no staining, no penetrating coloring, easy to cleanhygienic and environmentally friendly.

Stainless steel medical cabinet
SIZE：(1800*1300)*520*850mm

The corner can be used as a corner wash cabinet, wash cabinet with a trash can.

Using microcrystalline nano stone, the thickness of the table is not less than 18mm.It is required to be wear-resistant, corrosion-resistant, easy to clean and the surfacemust be specially treated, no staining, no penetrating coloring, easy to cleanhygienic and environmentally friendly.

Export outsourcing dimensions:
Length 560*width 570*840mm

Minami resin countertops
Anti-staining, anti-penetration,
No oil stains, easy to clean,
Soft touch and no damage

Key drawer chain
Simple key drawer chain,
Chain drawer comes with spare key

Invisible three-section
Yangni slide rail
Bottom support,
resistant to 50W pull-outs,
sturdy and durable,
automatic retraction,
easy to push without effort

High-quality steel
Using electrolytic plate
for seamless welding,
Surface treatment with
baking varnish,
Rust-proof, anti-corrosion,
easy to clean

TJ -Y006A STAINLESS STEEL SERIES

What we pursue is a pure and advanced aesthetic experience,
exuding an elegant temperament in simplicity,
the smoothness of every line,
and the combination of every color show the ingenuity of the design.

CRAFTSMANSHIP CREATES EXQUISITE PRODUCTS

Micro-quality nano-stone countertops
Anti-staining, anti-penetration,
No oil stains, easy to clean,
Soft touch and no hurt to hands

Key drawer chain
Simple key drawer chain,
Chain drawer comes with spare key

Stainless steel material
Heat resistance, cold resistance,
rust resistance,wear resistance,
corrosion resistance,
drug resistance, safety and hygiene

Invisible three-section damping slide rail
Bottom support,
Resistant to 50W pull-outs,
strong and durable,
Dynamic retraction,
easy to push without effort

TJ -Y006A STAINLESS STEEL SERIES

Tabletop: Microcrystalline
nano-stone tabletop (edge)
Guide: Imported heavy-duty three-section
invisible damping white suction slide
Dimensions: length 510*width 515*height 860mm
Wheels: Silent bearing casters with brakes
Handle: Aluminum alloy C-shaped handle
Lock: Ordinary key chain
Standard: 2 instrument trays
Power supply: None
Gross weight: 52kg
Net weight: 50kg
Outsourcing dimensions:
Length 560*width 570*900mm
Export outsourcing dimensions:
Length 560*width 570*840mm

TJ -G005 ELECTROLYTIC STEEL SERIES

TJ -G005 ELECTROLYTIC STEEL SERIES

Table: Minami resin
Guide rail: imported heavy-duty three-section invisible damping self-priming rail
Dimensions: length 520*width 520*height 840mm
Wheels: luxury silent bearing with brake casters
Handle: aluminum alloy C-shaped handle
Lock: mechanical password lock
Standard: 2 instrument trays
Power supply: none
Gross weight: 50kg
Net weight: 48kg
Outsourcing dimensions:
Length 560*width 570*900mm
Export outsourcing dimensions:
Length 560*width 570*840mm

Minami resin countertop
Anti-staining,
anti-penetration,
no oil stains
Easy to clean,
soft touch and does not hurt the hands

Mechanical combination lock
Same as safe,
advanced mechanical password lock,
no key required,
high confidentiality

Invisible three-section damping slide
Bottom support,
resistant to 50W pull-outs,
sturdy and durable,
dynamic retraction,
easy to push without effort

High-quality steel
Adopt electrolytic plate
Seamless welding,
Surface paint treatment,
Rust-proof,
Corrosion-resistant,
easy to clean

TJ -G006 ELECTROLYTIC STEEL SERIES

Exquisiteness
Perfect combination of texture
When the design concept overlaps with the brand spirit "Bai Ran"
Double nature tells a unique spatial story
Presenting a profound aesthetic heritage

TJ -G006

Table: electrolytic plate table (AB glue anti-skid pad)
Guide: black steel Yangni three-section white retraction guide
Dimensions: length 510*width 535*height 810mm
Wheels: silent bearing with brake casters
Handle: aluminum alloy C-shaped handle
Lock: ordinary key chain
Standard: 2 instrument trays
Power supply: none
Gross weight: 52kg
Net weight: 50kg
Outsourcing dimensions:
Length 560*width 570*900mm
Export outsourcing dimensions:

TJ-Y027 Mouth sweeper series

Specifications: Height: 1230mm (including bracket)
Upper layer: 460mm long and 450mm wide
Middle layer: 445mm long and 285mm wide
Bottom layer: 445mm long and 500mm wide
Body: electrolytic plate,
Four sides painted white
Wheels: luxurious silent with bearings
Brake casters
Power supply: multi-function socket
Power cord 1.8 meters
Gross weight: 20kg
Net weight: 18kg
Outsourcing dimensions:
Length 760*width 550*210mm
Export outsourcing dimensions:
Length 760*width 550*210mm

Large size desktop
Large size painted desktop,
Can place laptop and
easy to clean,
Soft touch and no damage

Luxury silent casters with brakes
Luxury silent casters
with bearings
Casters with brakes
Smoother movement

Display bracket
The display bracket is
strong and stable,
Easy to install and use
Can hold up to 26 displays

High-quality steel
Electrolytic plate
Seamless welding
Surface paint treatment,
Rust-proof, anti-corrosion,
Easy to clean

Stainless steel medical cabinet

Focusing on the integration of art and function, making life richer and more convenient, and ensuring durability with exquisite craftsmanship and strict quality control

Stainless steel hinges are durable and rust-proof with buffer and silencer.

The luxurious hydraulic guide rail is more solid and has a strong load-bearing capacity. No need to worry about the pulley being stuck on the side. It has damping and automatically returns to its original position with silencer.

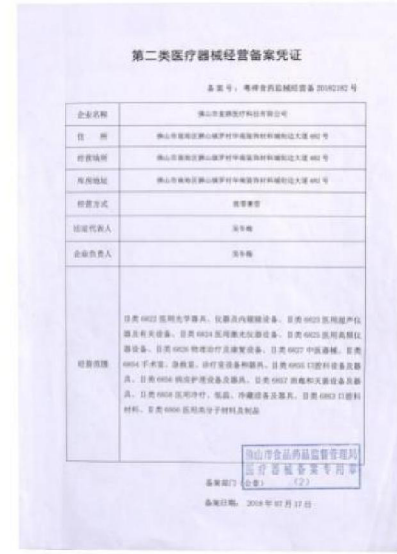

Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua. Quis ipsum suspendisse ultrices gravida. Risus commodo viverra maecenas accumsan lacus vel facilisis.

SIKAL guide rails at the domestic professional level More solid, with super load-bearing capacity No need to worry about the pulley being stuck on the side with buffer and silencer return
